**Hospitality Technology Provider EscapeWire Solutions
Ranks No. 315 on the 2009 Inc. 500 List**

NEW YORK, August 14, 2009 -- *Inc.* magazine ranked EscapeWire Solutions No. 315 on its 28th annual Inc. 500, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs. Companies such as Microsoft, Zappos, Intuit, GoDaddy, Under Armour, Jamba Juice, American Apparel, Oracle, and hundreds of other powerhouses gained early exposure as members of the Inc. 500.

"If you want to know which companies are going to change the world, look at the Inc. 500," said *Inc.* editor Jane Berentson. "These are the most dynamic, fast-growth companies in the nation, the ones finding innovative solutions to problems, creating smart systems, and inventing products we soon discover we can't live without. The Inc. 500 list is *Inc.* magazine's tribute to American business ingenuity and ambition."

EscapeWire Solutions is a leading provider of bundled technology solutions for the hospitality industry. EscapeWire designs, installs and maintains customized solutions specializing in IT and Audio Visual Systems. EscapeWire's Solutions include:

- Wired and Wireless High-Speed Internet Access Networks
- Free to Guest Head End Solutions with HD content (DIRECTV)

EscapeWire prides itself on removing the complexity from technology projects so that hotel owners and their properties can focus on their core business. EscapeWire works closely with their hospitality client's to manage their projects and ensure that system installations are completed on-time and within budget. Customer service and satisfaction is the number one priority. EscapeWire has installed their solutions in 5000+ hotel rooms throughout the country.

"It is truly an honor to be recognized on the Inc. 500 List and a testament to the hard work, dedication and commitment put forth by our team at EscapeWire," said EscapeWire Solutions President Chris Hart-Nova. " We've experienced significant growth over the past few years and are on track to continue that trend moving forward."

The 2009 Inc. 500, unveiled in the September issue of *Inc.* magazine (available on newsstands August 17 to November 15) and on Inc.com, reported aggregate revenue of \$18.4 billion—up significantly from last year's \$13.7 billion—and a median three-year growth rate of 880.5 percent. The companies on this year's list are also responsible for creating more than 55,000 jobs since their founding, making the Inc. 500 perhaps the best example of the impact private, fast-growing companies can have on the overall U.S. economy. Complete results of the Inc. 500, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found on Inc.com.
